Dear Sue,

So glad to read about this.

We are white people but would love to see this beautiful display.

Our son spent 4 years in the University of the - Tascalosa, like and enjoyed it.

He served in the War he was in 33 battles over Japan on a B-29 plane - He passed away 3 years ago with cancer.

He was given a ~~funeral~~ hero funeral. When he was news paper carrying age we attended a show for Jesse Owens 1930³ we enjoyed it and tried to follow him for years.

I would like to send more money about 2 I am in the Antioch Community nursing home. It is a nice place and they are very nice to me.

Thos. Ray V. Lute

Good Luck
