Dear James:

Thank you so much for your assistance in providing a brief tour of the Jesse Owens Memorial Park for the tour of the Shoals area that was conducted recently by the Colbert County Tourism and Convention Bureau for the spouses of the Alabama Legislature. (Enclosed is the list of participants which includes the husband's name & title, and the district he represents.)

As you know, our goal was to showcase each city in the Shoals area, as well as areas enroute to Northwest, Alabama to this prestigious group, and I am proud to say, "We did that." We all certainly know the rewards that can come from hosting a group that has so much influence on our State's decision makers.

The Tourism Bureau has had so many nice "Thank You" letters from the ladies. They indeed enjoyed themselves immensely. We all helped to create many great memories for them. As you know, these positive experiences sell themselves again and again.

Put quite simply, we could not have done it as WELL without you!! The Bureau is very lucky to have a great working relationship with you as we strive to move tourism forward. We appreciate this partnership!

Once again, thank you. If I may ever be of assistance to you, please call on me

Sincerely,

Susann Hamlin
Executive Director
