Re: Donation

Dear Curator:

I am a donator of memorabilia to forty (40) museums throughout the world including the Olympic Museum in Switzerland. I would like to donate to your museum a Jesse Owens Olympic commemorative card. This donation is for the benefit of all patrons of your museum. Can you kindly send a picture of this card to me, if and when it goes on display in your museum. Thanks.

Should you have any other questions do not hesitate to contact me. Thank you for your anticipated cooperation.

very truly yours,

Seth Ellerin
