Dear Lee,

Thank you for getting the sign for the Jesse Owens Museum on Interstate 65.

We have been trying to get this done since 1996 and ran into many complications with the Highway Department guidelines.

We have already registered a number of guests who visited the museum as a result of seeing the sign.

The sign looks absolutely great and is very noticeable, even at night.

We would like to host another meeting for you at the museum if you would like. If you are interested in arranging this, please give me a call at 256.974.0551 or 256.303.1811.

Sincerely,

James. E. Pinion  
Board Treasurer
