Dear Mr. Pinion:

This letter is to inform you that on December 15, 2008, Governor Bob Riley enacted provisions of the Budget Management Act [Section 41-19-10, Code of Alabama (1975)]. As such, it was determined that this agency would undergo a 10% reduction in operating funds that will directly affect the funding levels for all line item appropriated grants being administered by the Alabama Historical Commission. Your new grant total is \$45,000. It has been decided that the first of the quarterly payments will be in accordance with the initial value of the grant, but that the remaining three quarterly payments will reflect the 10% reduction in state funds. Please review your organization's plans regarding the grant funds and act accordingly.

Should you have any questions regarding this reduction in funding for your grant, please contact Joseph Glazar at 334-230-2653. Thank you for your consideration in these matters.

Sincerely,

Frank W. White
