Dear James:

As you know, I asked Jane Knight, Executive Assistant to the Chief of Staff, to follow up with Governor Hunt, after our meeting with him on July 14, 1992. Enclosed is a copy of Jane's letter of response.

In spite of the negative response from the Governor, I will follow up with Gene Anderson of ADECA, in a few days.

Please distribute Jane's letter to the other Jesse Owens Park Board members in your next communication.

Sincerely,

A handwritten signature in cursive script that reads "Mickey Moseley".
