RE: Application Number: FY94-0084
Application Title: Jesse Owens Statue
Program: Project Assistance, Visual Arts/Crafts

Dear Mr Pinion:

I am pleased to inform you that the Alabama State Council on the Arts has approved a grant for your organization in the amount of \$4,200.

This grant will become effective after an agreement has been signed by authorizing officials for your organization and the State. This binding agreement, which spells out all terms and conditions of this grant, is enclosed. It is important for you to note that this agreement becomes void if not signed and returned within 30 days.

You should be aware that the amount of your grant is due to continuing appropriations made by the Legislature to the Council. We hope in the coming year you will take every opportunity to make your local legislators increasingly aware of the programs made possible because of their support. Additionally, please make an effort to involve legislators in the kind of activities where they will experience the broad community support your organization enjoys.

We appreciate the fine job your organization is doing to enhance the cultural environment in Alabama and feel proud to be able to support your activities through our grants program. Our best wishes are extended to you for a very successful programming year.

Sincerely,

Albert B. Head
