Dear Mr. Pinion:

How are you? I've been meaning to write you for quite a while now, but just haven't been able to find the time. I'm sorry that it's been so long since I've been in touch. Don't let my lack of correspondence lead you to believe that you guys haven't been on my mind. I can't believe it's been two years since I was down there.

I'm sorry that I wasn't able to make it down to the museum dedication. I hope that you understand my "prior commitment." Both Sara (my fiancée) and I were touched and amused by the article/blurb in the Decatur Daily. She and I will have to get down there sometime soon.

I have enclosed some photographs that I took back in '96. I have made extra copies of some of the photos so that there would be enough for everyone in the picture. I hope that you like them.

Again, I'm sorry it's been so long since I've been in touch. I hope that all is well with everyone. Please say "hello" to everyone for me.

Take care,

Stuart Owen Rankin
