Museum Group Policies

A complete museum tour requires 1½ to 2 hours. It is recommended that school groups have one adult chaperone for every five students (Grades K-6) and one adult chaperone for every ten students (Grades 7-12). The maximum number admitted inside the museum at one time is 35-40. Therefore, larger groups will be divided. One group will tour the museum while the other will tour outside exhibits, compete against Jesse Owens in the broad jump, and compete in sprints. Outside exhibits include the Sharecropper Birth Replica Home, Gold Medal Oak Tree, Broad Jump Pit, 1936 Torch Replica and the Bronze Jesse Owens Statue. Large groups will spend half the tour time inside and half outside.

Museum Group Tour:

Teachers may choose the documentary or the scavenger hunt for the inside tour. For the scavenger hunt, teachers should divide students into seven equal groups and assign a chaperone to each group.

Throughout the museum tour, students should remain within eye contact of their chaperone. Chaperones take responsibility for ensuring that every student adheres to museum rules and policies.

Museum policies are based on the value of displays, safety, common sense and courtesy to other visitors. Please review and discuss the following policies with students prior to entering the museum. Museum personnel reserve the right to ask a student to sit out for repeated violations of museum policies.

Students must observe all of the following museum policies:

- 1. Use your indoor voice at all times to show respect for other museum visitors.**
- 2. Do not run, push or roughhouse inside the museum.**
- 3. Do not wear baseball caps or other headwear inside the museum.**
- 4. Shoes are required to enter the museum.**
- 5. Do not touch or lean on walls, murals or glass display cases. Stand one foot away at all times.**
- 6. While touring outside, you may not enter the museum until the inside group has completed their tour and fully exited.**
- 7. No pencils, pens or markers are permitted in the museum.**
- 8. Remain in sight of your chaperone at all times.**
- 9. Museum tour guides may ask you to sit out if you disregard rules.**
- 10. Do not bring backpacks, food or other items inside the museum. All such items should be left on the bus or in cars.**
- 11. If you participate in the broad jump, you must remove your shoes and clean out all sand before entering the museum.**
- 12. Remember to look, rather than touch.**

I understand all rules. I agree to read and discuss them with all children and students before arrival
