Museum Group Policies and Guidelines

We request that teachers divide their classes into several smaller groups, each with a dedicated chaperone. School groups will be admitted to the museum only if they have the requisite number of chaperones: One adult for every five students grades K-2 or one adult for every ten students grades 3-12. Chaperones must remain with their subgroups, in the same gallery or in close proximity, throughout the duration of the visit and take responsibility for the group's behavior.

The maximum number of students admitted to the museum at once is 35. Groups of more than 35 students may visit the museum in shifts at hour intervals. While one group is visiting the museum, the other may use the ball fields, basketball court, pavilions or the Oakville Indian Mounds (256.905.2499) located within one-half mile from the Jesse Owens Park.

Students are asked to leave their backpacks at school or the bus. Our policies are based on the value of displays, safety, common sense and courtesy to other visitors. Teachers or group leaders should review these policies and guidelines with your students prior to entering the museum.

Students should observe all general museum policies including:

Respect other museum visitors by using indoor voice.

All children 16 and younger must be accompanied by an adult to enter museum.

Please walk and refrain from running, pushing or roughhousing in the museum.

No "wheelie" shoes allowed in the museum. Shoes must be worn at all times.

Please do not touch murals and other displays.

No leaning on walls, display cases or murals, either to write or physical support.

Children are allowed into the museum store only when accompanied by an adult.

No pencils, pens or markers are permitted in the museum.

Parents/chaperones must stay with children at all times and are responsible for their safety and discipline.

We reserve the right to ask children to sit out for part of the visit if they are unable to follow the rules.

Remember to look, rather than touch. Please stay at least one foot away from displays at all times.
